12 v.

13 UNITED STATES OF AMERICA,

14 Defendant(s).

Case No.: 2:17-cv-02994-MMD-NJK

Order

(Docket No. 16)

16 Pending before the Court is the parties' stipulation to extend discovery deadlines, filed on
17 June 22, 2018. Docket No. 16. The parties request, *inter alia*, an extension of the deadlines to
18 amend pleadings and Plaintiff's initial expert disclosure from June 21, 2018, to August 21, 2018.
19 Local Rule IA 6-1 requires that a request for extension made after the expiration of a deadline must
20 be supported by excusable neglect. Although the parties address good cause to extend the
21 remaining discovery deadlines, they have failed to address, let alone show, excusable neglect for
22 the extension of the expired deadlines. Since the parties filed their stipulation one day after the
23 expiration of those two deadlines, however, the Court will allow the extension on this one occasion.
24 The Court expects strict compliance with all rules of procedure for the remainder of the instant
25 case.

1 Accordingly, the Court **GRANTS** the parties' stipulation for extension of discovery
2 deadlines. Docket No. 16.

3 IT IS SO ORDERED.
